Navigating Member Benefits Can Be Challenging
Let’s Start with the Fundamentals of PDA
PDA Mission

To **advance** pharmaceutical/biopharmaceutical manufacturing science and regulation so **members** can better serve patients.
So, What Does it Mean to Advance Our Members?

It means PDA empowers members with knowledge, education, and community to make professional decisions and grow.
PDA Vision

To maximize product quality, availability, and value by connecting people, science, and regulation within the pharmaceutical and biopharmaceutical community

so that PDA is:

1) The Preferred Choice for Professionals
2) The Premier Educational Partner
3) An Organization Aligned with Its Core Values:

• Science (Science-based)
• Integrity
• Inclusion
Why Does this Matter to You?

PDA believes this is important because we need to move together and in the same direction for you to find value and trust in us.
So, How Will PDA Be All These Things?

By Connecting People, Science, and Regulation, Starting with You.

1. **KNOWLEDGE**
   Gain knowledge with technical publications and global consensus documents.

2. **EDUCATION**
   Engage in conferences, skills-based training courses and insightful workshops.

3. **COMMUNITY**
   Interact with industry leaders and volunteer with like-minded peers.
