

The Parenteral Drug Association presents:

2017 PDA Europe

The Universe of Pre-filled Syringes & Injection Devices

Call for Papers & Posters

We would like to invite you to submit a paper or poster abstract for presentation at the **2017 Universe of Pre-filled Syringes and Injection Devices, 7-8 November in Vienna, Austria**. Abstracts for podium presentation must be non-commercial in nature, describing new developments or work that significantly contributes to the body of knowledge relating to pre-filled syringes and injection devices.

7-8 November 2017

Austria Center
Vienna | Austria

Topic areas of interest include but are not limited to the following:

1. Advances in Components / Application Systems / Devices

- From end-user needs to new designs
- Auto-injectors, pens, new application procedures
- Patient / doctor / information / electronics / device functionality
- Novel systems , equipment and concepts
- Alternatives to needle-based injections
- Pump Systems & Wearables

3. Development and Manufacturing

- Formulation / container / device/ functionality / usability
- Challenges of product classes: Monoclonals / vaccines / liquid / freeze-dried products
- Equipment and new technologies
- Zero defect challenges, improved technologies
- Upscaling and technology transfer
- Contract services / best practices
- Clinical trial and manufacturing flexibility
- Manufacturing trends
- High viscosity formulations
- Interchangeable filling systems
- Biosimilars
- Visual inspection vs. automated inspection
- Product Traceability
- From Compounding to Patient

2. Smart Devices & Digital Health Applications

- Device & Patient Interface
- Patient Adherence, compliance with new devices
- Hospital needs
- Patient-led Device Design
- Technologies

4. Business Development and Marketing

- Marketing trends for pre-filled syringes / application systems: Products-Devices-Markets
- Advanced therapy products and device needs
- Technology / cost / competitive advantage

5. Regulatory Trends

- New guidances
- Inspection trends (EMA, FDA, others)
- Reimbursement / payer aspects
- Usability studies
- Continuous improvement and regulatory requirements
- Drug safety / anti-counterfeiting

All submitted abstracts will be reviewed by the Program Committee for acceptance. Upon review by the Program Committee, PDA Europe will advise each submitter of the status of the paper for presentation in writing. PDA Europe will provide one complimentary registration per podium presentation. Additional presenters and poster presenters are required to pay appropriate conference registration fees.

Submissions received must include the following information:

- Title
- Presenter
- Presenter's biography (approx. 100 words)
- Additional authors
- Full mailing address
- Phone number
- Fax number
- E-mail address of the presenter
- Key objectives of your topic
- 2-3 paragraph abstract, summarizing your topic

Please submit your abstract online by clicking the link / QR code below.

If you have any questions, please do not hesitate to contact us via phone +49.30.436.55.08-0.

Attention Exhibitors

PDA is seeking vendors who provide excellent products / services in support of this conference.

Space is limited and is on a first-come, first-serve basis.

To reserve your space, please contact expo-europe@pda.org

or via telephone +49.30.436.55.08-23.

Deadlines

Abstracts for Podium Presentation:

31 March 2017

Poster abstracts:

29 September 2017
