

Training Course Agenda

Aseptic Processing Essentials Workshop (PDA 374.1)

DAY 1

	Part 1
	Welcome and Introduction
15 min	Objectives Questions Overview
	Part 2
90 min	Assurance of Sterility Through Critical Thinking Process Validation
15 min	Break
	Part 3
60 min	Designing the Aseptic Process Simulation

DAY 2

	Part 4
75 min	Reaching Conclusions Investigations Remediation
15 min	Break
	Part 5
90 min	Practical Examples Failure Analysis Questions Re-Visited
