

Event Agenda

Aseptic Processing Essentials Workshop (PDA 374.1)

DAY 1

Part 1

9:00 Welcome and Introduction
Objectives
Questions
Overview

Part 2

9:15 Assurance of Sterility Through Critical Thinking
Process Validation

10:45 Break

Part 3

11:00 Designing the Aseptic Process Simulation

12:00 End of Day 1

DAY 2

Designing the Aseptic Process Simulation (continued)

Part 4

9:00 Reaching Conclusions
Investigations
Remediation

10:15 Break

Part 5

10:30 Practical Examples
Failure Analysis
Questions Re-Visited

12:00 End of Event
